

EL DORADO NATURE CENTER AND PARK BIRD LIST

TERMS AND SYMBOLS

Locations:

NC = Nature Center

A = Area II and/or III of Park

WE = West portion of Park

P = All areas of the Park

Seasons:

Sp = Spring

Su = Summer

F = Fall

W = Winter

Abundance:

C – Common: Seen on all visits in the preferred habitat in the proper seasons.

U – Uncommon: Seen during the majority of visits in the preferred habitat in the proper seasons.

O – Occasional: Species that are expected every year but are not seen on the majority of visits, or are irregular.

R – Rare: Species that are expected in Southern California, but are not frequently seen because of habitat requirements, small populations, or short visitation to the region during migration.

X – Accidental: Seen out of its range or season.
